Baseball Defensive Drills Rod Delmonico

"Rod Delmonico, one of the most innovative and thoroughly organized baseball coaches in the college universe, knows that miracles don't just happen on defense--you have to make them happen. He does this at Tennessee with a simple but highly practical drill program covering every facet of the defensive game. Coaches from Little League to Major League will find all the answers in this splendidly articulated practice manual." -- Herman Masin Editor-in-Chief, *Scholastic Coach*

Rod Delmonico, national Division I coach of the year, shares the drills and skills that he used to take the University of Tennessee baseball team to Southeastern Conference championships in 1994 and 1995, and the College World Series in 1995. *Baseball Defensive Drills* is divided into sections on pitching, catching, infield, and outfield drills, and concludes with a chapter on drills for the whole team. Drills are outlined in a step-by-step format and are highly illustrated with a wealth of photos and diagrams. Players and coaches interested in improving their defensive skills and training techniques will find this one of the best visual-aid books available.
