Michael R. Gordon, General Bernard E. Trainor

The Generals' War : The Inside Story of the Conflict in the Gulf Michael R. Gordon, General Bernard E. Trainor

Michael R. Gordon and General Bernard E. Trainor provide a definitive, behind-the-scenes account and analysis of the planning and execution of the Gulf War. While one war was being waged against Iraq, another was being fought among the generals themselves. "The Generals' War" offers unvarnished portraits of the top military commanders, challenges the performances of Powell, Schwarzkopf, and their generals, and provides disturbing information about the power struggles within the American high command. Using previously undisclosed military documents, "The Generals' War" goes beyond what happened to explain why and how, exploding myths that have crept into other accounts of the war.
