The Shadow Over Innsmouth and The Whisperer in Darkness H. P. Lovecraft

The Shadow Over Innsmouth and *The Whisperer in Darkness* are counted among H. P. Lovecraft's most popular stories. In the first we are transported to the decrepit coastal town of Innsmouth, whose amphibianlike citizens betray a dark and sinister secret. The second takes us to Vermont, where a university professor becomes embroiled in a mind-bending celestial mystery after strange things are seen floating in the rivers.

Dark, brooding, and suspenseful, this is Lovecraft at his very best.
