Before *The Perfect Storm*, before *In the Heart of the Sea*, Steven Callahan's dramatic tale of survival at sea was on the New York Times bestseller list for more than thirty-six weeks. In some ways the model for the new wave of adventure books, *Adrift* is an undeniable seafaring classic, a riveting firsthand account by the only man known to have survived more than a month alone at sea, fighting for his life in an inflatable raft after his small sloop capsized only six days out. "Utterly absorbing" (*Newsweek*), *Adrift* is a must-have for any adventure library.

James Smith:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just little students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Adrift: Seventy-six Days Lost at Sea can make you feel more interested to read.
