Mary Magdalene has been portrayed down through the ages as a repentant prostitute. The secret Traditions and new discoveries have revealed her to be the "Apostles to the Apostles." The Gospel of Mary presents her as leader among the disciples. She experiences a vision of Jesus and receives advanced teachings about the fate of the soul and the meaning of salvation. She is known to have landed on the shores of southern France where extraordinary legends are passed on to this day and present a truly enlightened spiritual giant whom history and the politics of religion have slandered and sought to bury for all time. But her wisdom and knowledge of the Christ's teachings have surfaced two thousand years later.
