**Quantitative Methods for Management, 3e** William E. Pinney, Donald B. McWilliams, Joe Ormsby, Mark Atchison

Due to the lack of mathematical sophistication of business students, the management science is difficult for both students and professors. Quantitative Methods for Management, 3e attempts to reduce these difficulties by providing a student-oriented approach to the material, with more emphasis on application (how it works) and problem recognition (when it works) and less on derivation (why it works).
