*Reflections Of A Love Supreme* tells the story of Motown through the eyes--and camera lenses--of its fans. Many of the photos included have never been published before. They are personal, behind-the-scenes glimpses of the people, places and things that made Motown the music that inspired the generation. So, sit back, relax, and enjoy this pictorial journey back to the magical-and turbulent-1960s. It was a time when culture, society and politics were changing at a rapid pace. And it was the music of Motown that brought people together in a way never before achieved in popular culture. It didn't matter if you were black or white, rich or poor, young or old...we were ALL listening to, dancing to, and buying the music of Motown. Motown provided the soundtrack for the 1960s.
