British Women Mystery Writers: Six Authors of Detective Fiction with Female Sleuths

Mary Hadley

British Women Mystery Writers: Six Authors of Detective Fiction with Female Sleuths Mary Hadley
Many aspects of British detective fiction are intriguingly different from the American. And, confusingly, many of the British women detectives who have made it to American television are far from typical of the latest women detectives. This work is a study of British detective fiction with female protagonists written by women: P.D. James, Jennie Melville, Liza Cody, Val McDermid, Joan Smith, and Susan Moody. Special attention is paid to the evolution of the British female sleuth from the 1960s to the year 2000, particularly the 1980s, and how this shaped and altered detective fiction. Also discussed is the effect of the British judicial system and gun laws on detective fiction and real life, the types of crimes women detectives usually investigate, issues being raised by the authors, and new women authors of detective fiction with female protagonists.
