Connect Access Card for Drugs, Society, and Human Behavior Carl Hart, Charles Ksir

Drugs, Society and Human Behavior provides the latest information on drug use and its effects on society as well as on the individual. Trusted for more than 40 years by both instructors and students, this authoritative resource examines drugs and drug use from a variety of perspectives?behavioral, pharmacological, historical, social, legal and clinical. The 16th edition includes the very latest information and statistics and many new timely topics and issues have been added that are sure to pique students' interest and stimulate class discussion.

Connect is the only integrated learning system that empowers students by continuously adapting to deliver precisely what they need, when they need it, and how they need it, so that your class time is more engaging and effective. It provides tools that make assessment easier, learning more engaging, and studying more efficient. For instance, **Connect** contains **SmartBook**, the first and only adaptive reading experience available for the higher education market. Powered by the intelligent and adaptive **LearnSmart** engine, **SmartBook** facilitates the reading process by identifying what content a student knows and doesn't know. As a student reads *Drugs, Society and Human Behavior*, the material continuously adapts to ensure that he or she is focused on the content most crucial to closing specific knowledge gaps.
