In the Spirit of the Circle: Workbook none

Building on the rich storytelling traditions of Native American and Indigenous peoples, this unique resource connects some of the most deeply treasured and difficult narratives of our First Nations peoples with stories of the Old and New Testaments. *In the Spirit of the Circle* bridges cultural divides and breaks down stereotypes, inviting each of us to walk the "Red Road"; - to experience Indigenous ways of traditional spirituality and culture - with Jesus and with each other. These workbooks present new ways of understanding and responding to the wide, beautiful diversity of faith and formation that are the cornerstone of Anglican spirituality. This resource is particularly well-suited for group use with a broad or mixed age range and features activities and discussion questions for children, youth, and adults that are designed to inspire conversation, mutual understanding, reconciliation, forgiveness, love, and respect.
