Dixon Long, Marjorie R. Williams

Markets of Paris, 2nd Edition: Food, Antiques, Crafts, Books, and More Dixon Long, Marjorie R. Williams

The food scene in Paris has changed dramatically since 2006, when *Markets of Paris* was first published. Yes, the same markets are held in the same locales as always—literally, for centuries—but many have undergone a remarkable transformation led by a young generation of purveyors focused, even more than their predecessors, on local and organic (“*bio*”) produce. *Markets of Paris, 2nd Edition* revisits and updates the entire market scene in Paris, with 12 new entries and 10 new sidebars, including Virtual Markets and Market Streets, Markets Open on Sunday, Artisan Bakers, Getting Along in the Food Markets, Brocante Fairs, and more. One of them, Cooking in Paris, gives information about lessons and workshops offered in home kitchens, bakeries, restaurants, and even wine stores.

Updates focus on the most interesting vendors and most unique and enticing offerings to be found at each locale, including prepared food that can be eaten on the spot. In keeping with growing interest in knowing where food comes from, the authors include profiles and photos of farmers and other artisanal suppliers behind the best food stalls.

One of the biggest changes in the Paris market scene in recent years has been the spike of interest in organic, reflected in the popularity of the Raspail organic market. At one time a fringe offshoot of the regular Raspail market, this Sunday market has fully come into its own. It attracts a large and loyal clientele; of three organic markets in the city, it’s certainly the largest and most widely known. Often it’s referred to as “Le Marché Bio,” and many claim it’s the *crème de la crème* of all Paris’s markets.

Restaurant listings have been updated, too, with 15 new additions that have been chosen because of their new-generation chefs’ approach to fresh ingredients or their proximity to featured markets. A new section titled If You Have Limited Time directs the visitor to the most interesting markets near his or her accommodations. Another section, Practical Suggestions, addresses common questions such where to get local currency, which map of Paris is the best and most convenient, and business hours for different kinds of shops, stalls, and restaurants. Finally, the book has been reorganized by *arrondissement* to be more user friendly, and it has a brand-new look with all new photos and a refreshed, modernized design.
