"Although I didn't originally like the character Skull, after reading the book and getting inside his head, I liked him a lot more. If you like Lee Childs' character "Jack Reacher," you will like Skull's Shadows." - Patricia L.

When American sniper Alan "Skull" Denham selects his own mission to fight against the ever-growing evil of the fascist Unionist movement, he sets himself against the entire U.S. government, who wants to see him dead. Can Skull win through while keeping his soul, showing mercy only to children, dogs and the genuinely innocent?

Skull's Shadows is an action-adventure technothriller, and can be read alone or as an introduction to the Plague Wars series.
