## **Here Is A Preview Of What You'll Learn...**

It has been said that language is the key to understanding the universe, which probably explains why people are so fascinated by language because deep within every human being. There is a desire to understand the universe and all of its secrets, learning a foreign language can expand your horizons. Possibilities in dreams far beyond anything you could imagine it can enable you to travel, conduct business, meeting new people and reach them in the center of their very soul. One of the most popular languages to learn by far is Spanish is estimated that there are over 400 million Spanish speakers on the planet and the number is growing larger every day. If you have a desire to become a bilingual individual, then why not start with Spanish is historically a Romance language and is based on Latin, just like French and Italian and many other words, and their sounds will be familiar to native English speakers which will of course make learning Spanish that much easier. Learning Spanish as a second language is suggested for anyone living in the United States simply because the Spanish speaking population will most likely be the largest minority in the vast majority of the United States.
