## **Wisdom of the Masters** Wayne W. Dyer

Dr. Dyer reflects on the many great teachers who have influenced him. Whether statesmen, spiritual avatars, poets, or writers, these individuals all 'lived lives in which they were independent of the good opinion of others.' Dr. Dyer recommends that you 'make them come alive in your own life,' commenting that many of these thinkers took great personal risks to provide us with these inspirational teachings. Set to Richard Del Maestro's elegant music, the poems and excerpts on which Dr. Dyer reflects will fill you with tranquility and inspire profound insights.
