Fervent (Condemned Series Book 3) Gemma James

I never imagined things could get worse, but they do. The men who took us show no mercy. They won't stop until they've destroyed Rafe for something he has no memory of, and I'm their weapon of choice.

Tortured and defiled, they make me wish I was back in that cabin where death was favorable to drawing another breath, but our captors can't break what's already broken.

What scares me is the madness I see festering inside Rafe.

I've taken his freedom, his career, his reputation, yet despite all I've done, he's determined to fight for me, kill for me, give everything he is for me. He'll even die for me.

NOTE TO READERS: FERVENT is a new adult dark romance with disturbing themes and explicit content, including sexual scenes and violence that may offend some. Intended for mature audiences. Part 3 of 4 in the CONDEMNED series. *This is not a stand-alone read, and it does have a cliffhanger!* Approximately 47,000 words.
