Lifestyle Worship: Poems, Prayers & Ministry Resources Steven Brown

"Lifestyle Worship - Poems, Prayers and Ministry Resources" is primarily a book for Pastors, Musicians and Worship Leaders because it contains resources that you will find useful in your Calling and in your ministry. It is also a valuable resource to any believer that wants to increase their level of faith.

This book is unique in that it was written by a worshiper and from a worshiper's point of view while sitting in the pew for over 50 years and listening to about 2,600 sermons. It contains responsive readings that I find to be helpful in worshipping my God and prayers that lead a worshiper into a heart-felt conversation with their Lord.

But it goes even further, because for the last ten years I have been serving my local church as a volunteer worship leader with a responsibility to introduce contemporary worship into a traditional church which many can attest to being a difficult task. So this book will be especially interesting to you if that is an area that you either want to pursue or just want to learn a little more about.

My prayer is that God uses this book, through the work of the Spirit, to transform your worship life as He has mine.

Worship is indeed a lifestyle!

"Rejoice always, pray continually, give thanks in all circumstances; for this is God's will for you in Christ Jesus." - 1 Thessalonians 5:16-18
