Greetings!

We are Lord and Lady Artemiss, proud owners of what has come to be known on Ebay as "The Haunted Krausemueller Estate". Lord Artemiss has been a lifelong investigator of the Paranormal, and Lady Artemiss is a Wiccan, Seer and Spellbinder. We have owned a number of haunted houses throughout our lifetime, but never before have we encountered one as rich in finds as this one...

This estate has become a virtual treasure trove of Possessed, Spirit Inhabited, and Haunted Objects, and we have made many astounding discoveries in our explorations. But this "Grimoire", or "Book of Spells", is undeniably the most fantastic discovery of all...

We discovered in the estate, a passageway, that lead to a cleverly hidden secret room, and we soon learned that it was the "Inner Sanctum", of one of the previous occupants of the estate, the great great aunt of the old man who sold us the estate. She was known as "Lagatha Krausemueller". It was rumored that she was well versed in the practices of Witchcraft, Paganism, and even Satanism, and that she possessed amazing and extraordinary powers. It was said that she never seemed to age, and that with just a look, she could bewitch any man that she desired. They say that she mysteriously vanished many years ago, and was never seen or heard from again....

In this Inner Sanctum, we discovered a Witches Altar, and upon the altar, lay a very old and dusty book. When we able to examine it in a better setting in more detail, we discovered that it was a "Witch's Grimoire", or "Book of Spells". The cover and binding were very old and worn, and the pages brittle and torn. We had to be very careful, as the old pages were coming apart, and many were loose from the binding....

The book itself measured approximately eight inches (20cm) tall, by four and three quarter inches (12cm) in width. There were a total of sixteen pages of hand written inscription inside...with strange writing, and symbols that we did not understand. Some of the alphabet was in English, but much of it appeared to be something similar to Ancient Egyptian Hieroglyphics, and some in early Greek and Roman. And some appeared to be in a language even more ancient....

The handwritten lettering and symbols were very old and faded, and we were able to translate only a portion of it, but there appear to be "Spells of Long Life and Immortality".. "Love and Sex Spells".. "Spells of Power and Wealth".. "Spells of Magick Potions..." "Incubus and Succubus Summoning Spells".. and even "Spells For Communicating With Satan and Making Deals With The Devil". There is more...but it is beyond our abilities to translate it....

We have never seen any of these spells transcribed in any other book or manuscript, and I believe they are

either unknown spells, or perhaps they are ancient knowledge, that was lost, long, long ago. If we were to offer this very valuable original Book of Spells on our website, where we often sell many of our other discovered objects from the estate, it would most likely be quickly bought up by a private wealthy collector, and never seen or heard of again...

Instead, we have decided to make copies of it available and affordable to almost everyone with an interest in the paranormal, in both "book and ebook form". If you feel yourself especially drawn to this one of a kind Book of Spells...and feel that you have the knowledge and patience to attempt to decipher the very powerful and life changing spells contained within...then get your copy..... while it is still available....
