The Pages, and although representing young adolescents, also speak of the daughters in the age at which they are growing but not yet a woman. So the Pages are ambiguous and androgynous. It depicts a teenage son or daughter is not a woman even without menstruation.

The Empress is a young woman 20-36, and the Knights are men to about; 20-35/40 years old.

The Page of Cups is the wildest parties in the most friendly and fun. And it does not want to grow, because not wants to become an Empress. When she is dating a King of Pentacles, in romantic relationships, not girl, but boy. Because a King always is paired with Queens or The Empress, not with little girls that have not ceased to be.
